Good Morning,

A crew will respond to pick up this damaged street light today.

Dear Jeff and Chris:

I wanted to notify the Street Lighting Department that a Decorative Light Standard has been hit by a vehicle and was reported this morning by our Security Team. I have attached a photo for your information. The location is:

1139 North Highland (x Santa Monica) North west side near Free City

Can you please let me know the process on having this light standard repair and reinstalled?

Thank you
